Capacity Building for:

- **Higher Education** 
- **Vocational Education & Training** 
- Youth
- Sport

Global Gateway and Erasmus+

- Alignment between Erasmus+ and the Global Gateway, in particular through **the Capacity Building in Higher Education (CBHE) and Capacity Building in VET (CBVET)** actions.
- Goal to reinforce projects that create synergies/supplement Global Gateway initiatives and value chains at country or regional level in Sub-Saharan Africa, Latin America and the Caribbean, Asia Pacific.
- Regional/country priorities (value chains): [ERASMUS+ Capacity Building in Higher Education - priorities - European Commission](#)

Capacity Building in HE/VET

- CBHE and CBVET actions presuppose consortia between university/VET providers from Europe and partner countries to work on activities such as curriculum design, innovative teaching practices, university-business cooperation, graduate employability etc.
- Relevant in fields such as **agrifood, climate change, land management, biodiversity, soil degradation, nutrition, etc.**
